Read, and laid upon the table.

TREASURY DEPARTMENT, *February 4, 1833.*

SIR: In compliance with a resolution of the House of Representatives of the 26th ultimo, directing the Secretary of the Treasury "to report to the House the names of all agents employed by him to take and collect testimony on the subject of the tariff; and the names, residence, and occupation of the agents, and all witnesses whose testimony has been so taken; and to state what amount in money has been, or is to be paid to each of them;" I have the honor to transmit a statement of the Register of the Treasury, showing the names of the agents, and their assistants, and the amount paid to each—no further sums being payable to any of them.

The names of the persons from whom the information collected by these agents was obtained, do not otherwise appear than in the returns received from the agents; and these were transmitted to the House of Representatives without retaining copies in the department.
